DESCRIPTION

Boasting a rich heritage with over 20 years experience manufacturing some of the worlds toughest military vehicles, Conqueror's off-road hybrid caravans are designed to take on Australia's harshest conditions and environments.

The UEV-440 features all the essentials, comforts and luxuries for off-road enthusiasts that want one of the toughest hybrid camper trailers to take on their adventures.

With enough space to sleep a full family or some friends, this unique hybrid accomodates a comfortable amount of storage with accessibility from the inside and out.

DIMENSIONS

Tow Ball Weight: 145kg
Tare Mass (unladen): 1,450kg
GVM (with max load): 1,950kg
